Camp. Sept. 1. of
Dear Gus: You mustn't
let this week go by with
out visiting our camp
one day anyway. Can't
you come up and spend
one day with me. I would
try hard to make it
pleasant for you. I am quite
busy with my new job.
Can't I see you this week.
Take a day off and come
up to see me. Lovingly
Gladia.
